"Singing. Piano. Writing stories. Cooking. Most of all, singing. I would dare myself to break a note in front of someone. So I keep making songs at home. My family doesn't even know my singing talent."

Mahalia Staton (6)

"I'm double jointed in my elbows and thumbs. I can watch a good movie or show over and over and over and not get tired of it. Although that might just be an obsession."

Claire Oberski (6)

"My hidden talent is beatboxing. In my spare time, when I have nothing to do I'll just start beatboxing."

Zachary Heisler (6)

"I can hold my breath for 3 minutes."

Taylor Seamon (6)
